Re: Allergen – Peanuts/Tree nuts

Bell Tasty Foods is a USDA establishment that is also a Total Quality Control Plant. We are in compliance with the Food and Drug Administration requiring food labels to clearly state if food products contain any ingredients that contain protein derived from the eight major allergenic foods.

Our labels are listed with the following statement:

***ALLERGY INFORMATION: THIS PRODUCT CONTAINS WHEAT, SOY, DAIRY***

We do not use any ingredients that contain nor do we use any peanut or tree nut products in our production facility.

We monitor and examine our ingredients for quality and to guarantee that no product is adulterated or contaminated.

If you have any question or concerns, please feel free to give me a call and I will be happy to assist.

Sincerely,

Bonne Bell-Hansen
